Dear Henry,

7/20/78

You are beautiful! I could hardly resist you tonight. You have the greatest legs - and I really mean like greatest. Don't think I don't like to watch you when you play pro ball + me after it. I watch every move you make. It was nice of you to bring these people home to you. I guess I was sorta selfish wanting you all to myself, but hey, what can I do when this beautiful best guy is right there to me. What I see is that everyone likes you up there + everyone's after you. But you are mine + you'd have a pretty tough time getting away from me I don't ever try, babe. I love you + I know you love me + that makes me to be HAPPY.

I stopped by Cedar after you left and got in on one game. There was a party at Carl's house in an oak. I wish you could have gone with me. I don't have near as much fun with others as I do with you. That's the true truth Hen. You make me so happy. You're such an encouragement to me I can't wait till Monday cause I got to come see you. Tonight after N. Ball, Bill + I were throwing pro ball. Everyone was watching us. They called me 'pro ball thrower'. I couldn't believe it! They said I had some fancy moves. Honestly I just caught them + threw like I do with you. You throw it so much nicer than anyone I know. If I talk like I'm in love with you it's only because I AM IN LOVE WITH YOU, HENRY!
