'I have set the Lord continually  
before me. Because He is at my  
right hand. I will not be shaken.  
Therefore my heart is glad, and my  
quiver rejoices. my flesh also will  
dwell securely, for I know will not  
abandon my soul.' Psalm 16:8-10.

Babe. I love you. Well, the Lord surely was with me today.  
I was not shaken. I sure do miss being with you. I'm wondering  
how your test went today. I just finished reading the  
book you lent me in quiet times. It was really good. I wish you  
would pray for me, that I would keep my quiet times. I  
sometimes just turn off the alarm and just forget it -  
cause it's more comfortable to stay in bed then I don't  
have enough time. I get mad at myself for that. Hey, I really  
saw how you've grown spiritually. I consider you as my  
spiritual leader. I love praying with you and pray it will  
continue, also I like when you teach me from the word.  
Thanks.

Tonight I bought wrapping paper (silver) and a bow + card for  
Tom + Karen's wedding gift. I'll take it to Jim's tomorrow and put  
up your gift. I didn't do such a great wrap job on the gift  
though. Sorry.

Today at work our new prof started. She seems real  
intelligent about P.T. Hope we all get along O.K. Of course, she  
heard about you today. I love you and I want everyone  
to know it cause you are 'the best man' - my man.  
Go ahead - laugh

Did you ever get my letter with the gator gum? Hope  
so, cause I know you like it. I use the pen you gave me for  
work I like it a lot. Thanks. My car has been like me (big  
icicle) the past few mornings. Winter is coming.

Today at work, the new P.T. Judy made a fit with  
me - she told me I look like a runner cause I'm lean

That sure was a complement that I look like a nurse.  
Speaking of work, today I got a guy up on crutches  
He had surgery yesterday - same <sup>thing</sup> as you and his left  
knee too. I looked on the chart for the surgical  
procedure to see if they did it the same way. But it wasn't  
down in the chart. I was telling him about your surgery  
and all. He did real good on crutches. Only, as I  
remember, you had a sorta cast on your leg; his was  
only ace-wrapped. Anyway, it was neat!

Tonight, I took the 8 rolls of wedding pictures  
to Jewel Kore for Tim. I told them oversize glossy.  
I put them in Tim's name like you said, only who  
does he give the proofs he wants to. Is your aunt  
gonna do them or what? <sup>DOES HE KNOW HE HAS TO PICK THEM UP?</sup> Let me know so I can tell  
Tim. Also could you send me directions on how to get  
to the pinnacle <sup>to hike up the long way</sup> I forgot and I wanna go up there  
sometime soon. Also, where did we go that time with  
Chris + Ed - when we built that fire and it had  
started raining. Do you remember what it was called  
and where it was?

I took our wedding gift for Tim + Karen, to Tim's house  
His mom will see that they get it. I also picked up  
your gift you left there. She says she really misses  
Tim and while she talked she started crying. She  
kept saying she was sorry for crying. I felt really  
close to her and I talked with her a little. Crying  
~~is an~~ emotion - just like laughter. I don't think  
<sup>shows</sup> we should hide it when we cry - it's so expressive.  
Anyway, she was so nice and said I was welcome  
to stop in anytime I wanted. That was nice of  
her.

Henry, I'm so glad about our relationship. I feel so close to you. You understand me so well and I feel very free with you. I also feel that you respect me and are concerned about my interests and you want to see that my needs are met. I appreciate you, babe. I believe that the Lord does want us together, but I also feel that He will reveal the time & place to you. Don't ask me how, but I just feel the Lord leading in that way. It's neat because it doesn't involve any pressure - it's just the Lord's will and we must wait on Him and His timing - which is fine with me. As much as I want you - I can wait however long the Lord sees fit cause that's how we'll be happy. I know you agree and that's another neat thing about it. Oh, it's so hard to explain in a letter, but I think you know what I'm saying.

By the way, tonight at Bible study - everybody liked the Bible you gave me. I really really love it. Thank you a lot. Fred did not say what you said he would. He liked it.

Must go now. I love you.

Proverbs 16:3

'Commit your works to the Lord  
and your plans will be established.'

great  
promise  
that really  
assures me  
I can rest in Him

Love you,  
Neal
