Dear Babe,

10/20/78

You are my babe. I love you so very much. I can't wait till I can see you. The time can't come soon enough for me. I really admire you for your obedience to the Lord - it's a great example for me. I respect you for who you are and what you're doing and am willing to wait for you. You are so good and neat! I can see how you've matured - both physically + spiritually. Physically - you look great. Such a beautiful body you have - wow! You're so strong and healthy. I admire your discipline in keeping yourself fit - so muscular - especially your legs. They're like rocks. Your beautiful masculinity makes me feel so feminine and I long for you and I desire your love as only you can give. Your love totally satisfies me. I want for nothing when I have you. You make me feel like a woman when I'm with you. You treat me with such care and tenderness. I totally trust you + enjoy you.

You are growing so close to the Lord and are becoming an ever more beautiful person as you yield to Him and His will for you. I see you as my spiritual head and I want to learn from you as God teaches + uses you. I pray that you would continue to be controlled by Him and be seeking and doing His will. And may we both submit totally to Him as we come closer + closer together. I'm right with you even though we're miles apart - My love:

*Make me know Thy ways, O Lord
Teach me Thy paths*
