My dear babe,

I'm so in love with you. You were so God last night on the phone - I couldn't get to sleep with you in my mind. I wanted so badly to make love to you and satisfy all our desires and show you just how much I love you. It's the best way I can express it to you. I hope I can express it when you come home to me. I'll find a way.

Hen, you are so very special to me. You just can't imagine how precious & great your love is to me. I count it far dearer than any wealth or material I could have. Thanks for being so understanding and satisfying my needs - I don't even need to ask, really - you are just that perceptive to my needs & desires that you fulfill before I need to ask. The neat thing is that most of our wants & needs are the same - we just have this thing about each other.

But they who seek the Lord shall not be in want of any good thing, Ps 34:10

He is so good to give me the best and it's true - I'm not in want of any good thing - cause I have you. Except I'm in want of you right now, ~~but~~ (in the immediate), but I'm sure the Lord is working all things out for our good because we are seeking. I love to read promises like that. It's such an assurance. I feel such a peace & comfort in Him. I really can say that I'm not anxious at all about my future - even though it is so unclear. Babe, I don't know if you know, but that is so unusual for me - when

I don't know what's going on - I get anxious - but
the Lord is so good - I feel secure in Him - He'll do
what's best + I'm very willing to wait in Him till
He shows me what to do. He is sovereign - how
can I not wait!? And also cause I know you're
happy where you are - I feel more at peace - to
know you're content. Makes me smile even now to
know the Lord has provided warmth, food, good
friends, much learning + wisdom. He is so good to
you - which means He's good to me too - I feel
very happy about that. I wish I could hear you
laugh, smell your whole you, listen to your
beautiful voice. Feel the weight of your body on
mine and feel the warmth of your love.
Oh, babe...

'O fear the Lord you His saints
For to those who fear Him
there is no want
The lions do lack and suffer hunger
But they who seek the Lord shall
not be in want of any good thing.'
Ps 34: 9-10
