Babe,

Thank you for sending me the notes you took on the gift of tongues. I don't understand the gift, but what you wrote cleared some things up for me. I'm looking forward to when we can be together and get into the word and you can teach me and share the things that are made real to you. It'll be great!

Today, I got the results of the 5 mile marathon in the mail. It tells everyone's times + places and you know what? -- I'm not even on the list. I went ~~through~~ the whole thing a few times and I'm not listed. I don't know what happened there. Maybe when Linda got pushed out of line - they didn't count me. You well.

Babe, I grope for your body. It's like starvation diet or smethin'. I long for your sweet + gentle + sexy voice in my ear makin me go crazy. I want to seduce you + have you seduce me and I want the ultimate + I want it to last + last + last + last.

11/9/78

Just relaxing after a long, busy day at work. I had a good day today. I worked in peds. and with a little girl named Gretchen. She was so adorable - big brown eyes just like yours. She was so giggable. She has this doll who laughed when

you squeeze her, Gretchen would start to laugh when she heard the doll laugh. It was so beautiful to hear her laugh.

Guess what song just came on? 'Color my world' Chicago. Reminds me of my prom. That night was great. I felt so good to be in your arms dancing with you. I always feel so secure when I'm in your arms and you hug me. I want you always to be my protection and covering. Babe, I want you and I need you for me to feel complete and be satisfied. I think you're really something special. Just you wait til Nov 23.

Today I went running + crunching through the leaves. It's been so nice out today + lately → 60°-70° and when I get out of work, the sun's just starting to set and I can see it through the trees. It's beautiful when you see the beautiful creation.

Well babe, I must be going now.

Here's a promise from God whom you are seeking: Ps 32:8

'I will instruct you and teach you in the way which you should go, I will counsel you with My eye upon you.'

I'm so in love with you babe, and can't wait till Thanksgiving!

'O taste and see that the Lord is good,
How blessed is the man who takes refuge in Him'
Ps 34:8

P.S. Keep praying for my dad!

Love always,
Valerie
