

Hope you are having a good day!

Babe, Hi, well this is probably the last letter I'll be writing
to you before you come home - I'm so excited about it, babe. It seems
to be going so slow. Our time together will be special, I'm sure.
I love you so very much, babe - you are constantly on my mind.
I enjoy being with you and doing things with you. Oh, babe won't it
be great when we can be together?! The weekend went pretty
good. The Lord sure was watching over me. I almost had a
really bad accident. I was doing some shopping for my mom.
and was coming home from Kidd Bros. on 222. Right at the Pizza
Hut some guy pulled out right in front of me (real slowly) and
swerved to the right into the Pizza Hut parking lot and I
spun around and I was facing the opposite direction. I was
so scared - I just sat there and cried for about 5 minutes.
The Lord is so good to me - Ricky was in the car too. I'm
so glad nothing happened. I had skid marks on the road

and all. We had beautiful weather this weekend. I heard that they're predicting snow on Tuesday. Hope you can still come home. I hope you haven't forgotten about me. I need your love so very badly.

I applied for 3 days vacation (Dec 29, Jan 2 + 3) I have off the 30th 31st + 1st so it's 6 days. That over the retreat. Right after the C+A retreat is a retreat for the Camp Counselors (you probably got a letter on that) I think it's the 2nd + 3rd. So maybe I won't take my vacation then cause you won't be home. Let me know if you're going on that retreat.

Today I baked - what a disaster. I made oatmeal cookies and I made them especially for you, but they're not good. Everybody hates them.

Tomorrow night I'm taking Yucky to the theater to see 'Grease'. Should be good.

Judy L. was in church today - she's doing real good. Lincoln got accepted at PCOM (where he wanted). They send a lot of their externs to Osteopathic so maybe in a few years I'll see Linc there.

I got a letter from Chris. I'm anxious to see them - really! Can't wait!

Oh babe I'll be so good when I'm with you I'm not going to stop hugging + kissing + loving you - ever!
you're my babe

3 more days.

Love babe. Valerie
