

Hello my babe

I'm so in love with you. I think I love you more every minute. I can't tell you how much your love means to me. Christmas will be so good. I loved talking to you on Saturday. It was hard to get off. You made my day. You sounded really sad, but really it wasn't depressing. Hey, I miss you so much and sometimes it seems like forever till I'll see you, but anyhow, you sounded so sad that I felt like hugging you + kissing you - I mean I know you needed my love and I wanted to give it to you. Then, let's plan to do something together this summer like a little vacation together - OK? Our times together are so precious, Henry. You are precious. Babe, please don't ever feel like you make me sad or that you're doing me wrong by being there please, because I haven't had any doubts at all about if you should be there. I'm fine - really. I don't want to hide the fact that I miss you or that I'm in love with you or that I'm crazy over you - so when I cry - don't think it's cause you're doing something wrong or that I doubt if you should go. I can't wait till you're here and we can laugh together, and talk together and love together. Yes babe!

My day on Sat with Sherry, Dave + Julie was good. I talked a lot with Julie. My morning at ASH was disappointing - I'm almost glad that I don't know as much as whose doctors. I don't want to be

an intellectual mob! Parts were O.K., though,  
not worth getting up early on a rainy Sat. for.  
By the way - the rain which charged to snow as I  
talked with you on Sat. kept on all the rest of the  
day. We only got about lunch, but it's pretty &  
played with Heide in it today. She likes it. It's  
gotten real cold + windy here (~~just~~ your usual). It's  
15° now. (as shepherders)

Today at church, I talked to John Butch. He said  
he wants us 4 to get together over vacation. Sounds  
good to me. I said I'd let you know. Babe, I don't  
care what all we do over vacation. It's yours to do  
with as you please. Anything fine with me I just  
wanna be with you. I want your vacation time to be  
great for you. John preached tonight - real good.  
my he's hard to keep up with - ~~just~~ talker!

Babe, if you haven't already - don't send us your  
\$500 registration. I'll send it in for you. Let me know  
if you already have, babe. I'll get mine on Wed

I can't tell you how I feel lately babe. It's good. I really want to have good relationships with my family. I feel my relationship with my dad has improved. The Lord is so good to me. Sometimes it's really hard for me here - a lot of guilt feelings about my dad being in a cust and I can't help too much with his work cause of my job. As much as I want to. Also, sometimes my mom gets so sad about things and she's hard to talk with. She like to keep things inside and I must respect her for how she reacts. I mean, she's tired and I wish I could help her more. Sometimes, Beth gets to saying around about things and let's it out on mom. That always gets to me, but the Lord has shown me that she needs to be shown love more than she needs another authority on how she should be living. And at times I get real sad about the needs I see in each one of them. I wanna do things for them - most of all they need love from me. They're really not ~~that~~ hard to love with - I need to give up some things ~~but~~ but I really do love all of them and am starting to see them as they are.

I forgot to tell you, Beth will be starting at JCC this January. She needs to take some courses before she can get into Kutztown for art. She doing real well with her artwork. She take a class at

Baum art school every week.

Babe, no matter what, just remember that I love you and you're my babe. Your coming home for Christmas is the best present. Really, that's why I'm so excited about it. You're beautiful. Soon you'll be on your way home to me. Hope your ride comes through. I'm praying for you, babe, always.

Love,  
Nalorie
