

I love you!

Henry:

where kindness and gentleness are abundant
a beautiful smile always for me
a free and adventuresome spirit
a loving, compassionate heart.

Henry:

my leader, my teacher, my lover
to whom I can always come
the biggest (and very best) part of my life
who makes me feel so free

Henry:

to whom my thoughts are important
where hope and encouragement are easily attained
who shows me high respect
a truer friend could never be found.

Henry:

where genuine love is freely expressed
who unhesitatingly shares his life
with whom many beautiful times are spent
knows just how to cheer and comfort me, when sad

Henry + Me:

A relationship built on honesty and trust
such sweet intimacy; a closeness not to be compared
a gentle peace is found while in each others arms.

Henry: where I love found my home. Valerie
