For my Babe

Babe,  
I'm praying that you have a safe flight back  
also that you didn't mess too much and can catch  
up quickly. You know, I'm really missing you  
try now. The time went by so quick. I had a  
great time with you and realize just how much  
I need you. It amazes me to see how you  
strengthen me to do things - by your constant  
encouragement, you cheer me up when I'm down  
and I'm happy with you. It's great to be in  
love with you. I know it'll be so great when  
we're finally together. I'm looking forward  
to that so much. As long as we keep Christ  
first, all our wedding plans will work out  
just as He sees fit - even if we can't  
get Waldheim - so I'm not worried about it.  
All the time, I keep thinking - next year  
at this time I'll be with my babe. I'm  
really praying that the Lord would show me  
and change me - the kind of wife He wants  
me to be. I want to yield to Him so I can  
let Him change me - pray for me for that  
cause you know how stubborn I can be \*am

I love you Israel Henry Rabb the third  
and soon, we'll be together forever. I'm  
really happy. When you think of me picture  
me smiling - cause I am - while I'm  
waiting for you, babe.

I love you  
Valerie
