

Oh, babe - I'm missing you already. That has got to be the hardest thing for me to do - leave you. Such a great hope that I can look for - our marriage. When you cry, then it's so sad because I want for your happiness more than anything I pray that all is well with you now and that you're settled. You know that you're always in my prayers. You're the dearest thing to me - my most precious jewel. Just thinking about Saturday how you came over when I was crying & upset, thinking my whole day was ruined - and just your patient & loving spirit calmed & comforted me and cheered me up. I need you so much - also you fixed my closet door without any problem - you're so strong - I love going to Mac Donald's with you and sharing fries with you. I think being your wife will be so great - I know I'll love it. Everything we do will be so special cause we'll be doing it together - especially things we've never done before. I know the Lord will bless it because it's of Him - everyday I'm more assured that His will is for our marriage - and He couldn't have blessed me more than with you as my partner, babe. I must go now wish you were here. That last smell, hug & kiss was the greatest! Ya - your team won. We (I & me) didn't play good tonight, but that's O.K. goodnight
