

Dear Ken,

1/23/79

How are things at Moody's? Things here are OK. I didn't go to bible study tonight. I took Vic to piano lessons and then went to Nanna's for a while. I love my nanna a lot. I don't know why I feel so close to her always, I guess cause I can sense her love so easily. Anyway she has a bad back lately - I could tell she had trouble getting up from sitting. I just heard the president's State of the Union address and then played with Heide - big night huh? Well, Heide misses you playing with her 'sock'. I know she likes you. My mom's jade plant looks good. It's a neat looking plant. It looks sorta waxy. I was looking at my ring just now and I want to thank you again! It's so beautiful I never saw one I liked near as much as mine. You have good taste. I look at it all the time. It's such a precious gift from my precious babe.

Work is O.K. The only thing is that there's a lot of tension in the department. Real subtle - but it's there. I don't understand what happened, but seems like everyone's always trying to cut down the other person. I don't like it. Just seems like all ya do anymore is picked apart and no matter what - ya did somethin' wrong in the process. Never used to be that way. So, I try not to pay much of anything. Carolyn + I are gonna play racquet-

ball soon. ZCCC is open Mon-Wed-Thurs nights  
till 9:30. Hookin' forward to it. I love that game.

Hey, Pastor Spence ~~has~~ bought Wigfield's  
house! Now they can move into that neat  
place.

Babe, now this is just a suggestion, but wanted  
to get your opinion on it. An all white wedding  
(girls). The girls would wear white sorta old  
fashioned gowns + just carry one red rose  
(no bouquet) and I thought you were thinking of  
gray taxes which would look really neat. I was  
just thinkin' about it + thought it would be  
neat cause of it being outside. Please be honest  
when you answer. My hearts not set on it.

Nicky says hello.

They say either snow or rain for tomorrow. I hope  
snow. I heard you were getting another snow  
storm. I'd like to be snowed in with you, babe.

Wed 1/24/79

Babe, it's pouring down rain right now and has been all day long. It's also windy all day. Wish this were all snow. I hope you're doing good today. It's strange not hearing from you after I saw you everyday before. Cold turkey! I don't feel like doing anything today. Lazy. Hope you're not having trouble getting up every morning. Can't wait to hear about your classes. Isaiah sounds good. Also, your PCW - I guess you had that today. Oh, babe - I miss seeing you everything's drab around here without you. Please don't ever think I'm bored with you you add such excitement to my life, babe. I just keep thinking 'This is my last winter separated from my babe.' I'm really thankful about that.

I want to talk to you about ~~go~~ coming out there this March. I would like to do that. The only thing that would be bad is that I don't know how my dad would feel - even though we are engaged and also esp. since missions conference is that week. I'll tell you he sure does tell me what to do a lot. Sometimes I hate it cause I'm capable of making my own decision. I don't know - a week in Chicago - alone with you - he might not approve. Also I wanted to ask. They don't provide meals that week do they? Could you stay in the dorms?

That's not saying no, Henry. How do you feel about it?  
I will pray about it. ~~The concerning thing is~~  
Will you, too? I really want to see Chicago  
and Moody.

Soon, babe, we'll be together and I think  
that will be great.

Say hello to Dave for me.

For He will give His angels <sup>concerning</sup> charge ~~over~~ you  
To guard you in all your ways.  
They will bear you up on their hands,  
Lest you strike your foot against a stone.

Psalms 91:11,12

I Love You  
Hal
