

Just a note

Babe,

I went for a run today. Felt good. The wind was giving me a lot of resistance, but it felt refreshing. I had the day off. Slept till 1:00 and then just bumbled around. I went to R+K saddle shop and bought some condoms. I like run. My day was very relaxed and enjoyable. I took my ring into Freeman's and the guy looked at it under the microscope and he said he really loved the setting. He checked the stones and said they were all nice and tight. Then he took a picture of it and put it in a bag. He said he'd make it a 5^{1/4}. He even said a 5, but he said that might be small during hot weather. Oh I hated to give it up. They might not even get to it tomorrow, maybe not till Tuesday. I miss it. The more I look at it the more beautiful it looks. Thanks again, Babe.

I called about Waldheim last night and they're having another board meeting tonight to give me a definite answer + price, by letter, but as far as I know right now, we can

me it for August 4th. (I bet us hold fast the confession of our hope without wavering, for He who promises
redemption is to be given for the use of the auditorium and the Fellowship Hall will cost \$50.⁰⁰ → \$75.⁰⁰ for
the caretaker to clean it up before + after. Like I said they'll be sending a letter of confirmation
but I'm so thankful to the Lord for His faithfulness. Also to me, it's ~~another~~ another confirmation
the Lord wants us together - I mean it was so easy. Also, they already had everything planned
whole summer and our date is open. Great. It's just a little over 6 months till our wedding, He
cares? I'm really excited.

My mom is looking good. She's been dieting for a week now and really sticking to it. Maybe
remember to pray for her cause it's hard for her. Have you been to Mr. G's yet? I
about it now and try to picture it. I heard you got 7 more inches of snow there. Wow! son

I don't really feel like going back to work tomorrow. It's such a depressing situation to be
people don't talk to each other and aren't friendly. I think I feel it's worse now because
your friendliness. I mean, nobody treats me like you. You're so good to me and I guess you
out, babe - I love it and I love you so much.

I'm really anxious to hear from you, babe - but I know you're real busy. I am praying
then, cause I know it must be a difficult semester - from looking over your schedule.

The Lord, the Lord God, compassionate and gracious,
slow to anger, and abounding in lovingkindness
and truth, who keeps lovingkindness for
thousands, who forgives iniquity, transgression
and sin.
Exodus 34:6-7

I love you, Babe.
