

1/28/79

Dear Henry,

Hi. Hope all is well with you. One whole week gone by without you & miss you. Sometimes it gets so tough, babe - like I feel I can't stand it any longer. So often, I have a need to talk to you and have you hold me. I really ache for you. Like right now, things here aren't real good. Seems like I can't do anything right and each time - I just long for you - my comfort and security. You just always show me such love, more than I ever knew and I miss that so much. It's sorta confusing right now - I told my dad who I want in our wedding (Vicky + Diane). He got mad cause he wants me to have all 4 of my sisters in it. It makes me very upset. First of all, I only want 2 attendants, + also I just don't want everyone in it. He's say - I'm not reaching out (to both) if she's not in it. I just don't want her in it. But he was really mad. Right away, I started crying, I'm really confused. I just feel I could have my way at least in that. Is that being selfish? He just can't accept that and I know I haven't heard the end of it. Wish you were here to talk this out with me. But I really prayed about it - not really even knowing how to pray - but I know all will work out. I don't want anyone to be mad. Well enough of that.

On Friday, I picked up my rug - they made it 1 size smaller (5/4). It fits really good now. I love it so much.

I started running again, babe. Sat - I did Traylor Park x2. I need to get back in shape again. I'm gonna run at least 5x/week now. It's not real cold here lately. When it's windy - I wear my nylon windbreaker (suggestion of James Sixx) that really helps block out the wind. I was getting so sick of just sitting around - I couldn't stand it. I feel so very good when I run. I feel like I have such freedom that I have no other time. I love it.

I got your letter on Saturday. Thanks for the tea. I'm sorta scared to try it yet. I know the word tea you drink, but I want you cause you know what I like (you). I'm really glad that you didn't have to pay a late registration fee and that you could keep your hair long till Monday night. I really will pray about your classes - that you really learn a lot from them + do good (acc us' like last semester). Wish I could be there to help you study. Can't wait.

Babe - I love the little poem you wrote. That was great. I could just picture our spot. You're a real romantic. I give ya an A.

Faith Weiss is neat. She really loves you and looks up to you - like all kids. Just thinking about that I think the Lord uses you to minister to little kids

I am praying about our ministry together and I feel like maybe that could be part of it. I mean, just think of all the kids who really love you and would do anything you ask - David Wigfield, Elizabeth Wigfield, Bret Young, Lacey. all your kids from camp. Just something I see in you. You'll be a really good father, Henry. I have no doubt about it.

I was talking to Mrs. Wigfield tonight. It's so neat, she's so excited about us getting married. She says, Eddie got a job at a warehouse. After Chris graduates, they're moving to Ft. ~~for sure~~ ~~They don't know if~~ they can come for the wedding cause of all the traveling.

Pastor Spence is coming Feb 26. Seems soon. Dwight will be coming the week before that, so I'll confirm our date with him. I'm really glad that I'll be marrying us. That was neat the way we both thought of that. Also, we both agreed on Waldheim right away. Neat.

We had 2 robberies on our ~~street~~ ~~Friday~~ ~~one~~ house in back of us was robbed Friday night. The cops came here late Friday night and asked if we heard anything. Also, the house up the street was robbed - and the guy was even home sleeping and he heard someone in his desk. We heard there were other robberies around here too. We get phone calls where nobody talks.

Did you know that Pantry Pride went bankrupt? Your mom
will probably be upset about that cause she goes up there
sometimes. I miss your family. I should go see them soon.

You are my most precious babe and I'm so in love
with you and am more all the time.

This book of the Law shall not depart from your mouth,
but you shall meditate on it day and night, so that you
may be careful to do according to all that is written
in it. For then you will make your way prosperous,
and then you will have success.' Joshua 1:8

Be Strong + Courageous

I Love You,
Gal
