

Dear Babe,
I'm happy thinking about you and our upcoming
plans! I got a great letter from you today and
the honeymoon plans sound great. I must tell you
though babe, I am so scared to fly - but I will
for you. It's with great hesitation that I say that
only you could motivate me to do that. Like I
said before I don't want to hinder you and get
refused that would be a herderance. Sorry that
sometimes I'm so closed minded and stubborn.
That's just a fear I've had since I can remember.
Thanks for being patient and understanding. I agree
about us not being rushed on our honeymoon.
Babe, everything you planned (I know just tentative)
for our honeymoon sounds perfect. I'm confident
~~that~~ in what you think looks good. It's a variety
of camping out and sleeping inside and driving
and flying - a good variety. You ask me my
dreams for this time. You better believe I dream
about it all the time. I just can't wait until
we're together esp. over our honeymoon when we'll
be real close and sharing our love for each
other. With no one there to interrupt, never
having to leave each other at night - to wake
up with you warm by my side. And during
that time, I'll have you all to myself. Oh man,

to have you all to myself. You know how it is when
were real close - that's a great feeling. I dream
about us feeling that way always. I'm really
praying that I would be a good wife for you -
that we would always share that closeness and
oneness - and there is no closer relationship than
a man + woman share. And babe - you are my man
and soon we will be one.

Applications keep coming in. Am typing up
resumes still. I'm confident that the Lord will
supply me with the job He sees fit - but still I
want to be careful to make up good resumes
and applications. Thanks for sending them and for
praying. I have 3 references if need be (sometimes
~~they ask~~, sometimes not). Nancy Benko, Judy Dougherty
and Dr Hooshmand (Dr). I called Mr Kurker today
(8000) to ask if he knew if PTA's must be
licensed in Illinois before getting a job. He looked
it up and said 4 years ago they didn't have
to be but maybe it changed. Nikki's gonna get
me the board address so I can write to make sure.
He said if I would have to take the test - he's sure
I'd have no problem with it. I'd take it in Illinois
He also said, I shouldn't have any problem getting
a job. PTA's are well accepted in Illinois (in
many states they're not). Sounds promising

Babe, I'm praying for much. I'll pray about working at C.O.H this summer open mindedly. Right now I don't see it - but then again I must admit I haven't prayed about it. I will.

Also, I'm praying about your term paper. Sorry it's such a bore. Also for your health and knee - I'm exp. concerned about that. Praying about coming at in March.

Must say, it seems like the Lord is telling me to have more than just Vic + Diane in our wedding. As much as I want just them - I want to be at peace with Daddy. I've haven't decided for sure, but just in case - start thinking about other gup you want in it. Sorry.

Where do the Warshem's live? Hope you have a good time there.

Also - I might have to pick out flowers sooner than I thought - would it be o.k. if I did if I have to without you? I want to keep it simple though. You know my liking for daisies (different color for each different color gown)

I'm more in love with you now than ever before. You are my inspiration, motivation - everything. I miss you this time we're apart more than ever before! It's really hard. But the Lord has showed me so much about how a relationship should be and sometimes when I think back, I'm so ashamed at how I acted. Thanks for being so loving. I love how you love me and I can't wait to love you.

Psalm 18: 28, 29

'For thou dost light my lamp,
The Lord my God illumines my
darkness.

For by Thee I can run upon a troop
And by my God I can leap over a wall

Ps: 31, 32, 33

For who is God, but the Lord?
And who is a rock, except our God,
The God who girds me with strength
And makes my way blameless?
He makes my feet like hinds' feet
And sets me upon my high places.

Ps: 35, 36

Thou hast also given me the shield of
Thy salvation, and thy right hand upholds me.
And Thy gentleness makes me great.
Thou dost enlarge my steps under me.
And my feet have not slipped.'

Love you,
Valerie

P.S. Just did my taxes - am getting \$320.⁷⁴ back.
