

Henry,

2/25/79

You write such great letters. I got a letter from you on Saturday and I read it over so many times. I cried after reading it, both because it was sad when you said you are lonely. It just makes me sad to think of you as being lonely. I just felt like hugging you. - I felt like coming out to see you. This is the hardest time for me too. To wait for you. I also cried when I read it because you are so neat and I'm so happy we'll be together. Sometimes I can hardly believe it when I think of you loving me and marrying me. But, it's great. I missed you especially ~~much today~~. I went to church today - morning & evening and when he talked about camp, it made me think of you a lot. Also, I listened to 2 tapes today - MacArthur and I could hear you cough on the tape and it was like you were there, but I just couldn't get out at you. I don't know how to express just how much I miss you - but it's a lot.

The tapes are so good, Henry. Thanks for sharing them with me. I listened to MacArthur's tape ~~that you know~~ ~~and your father~~ you said you were praying I would get a lot out of them - well I learned so much from those 2 today and what was really good about the fall of man & woman & how he compared those 2 parts in Genesis. So thanks again for them.

I miss your guidance, Henry. So many times, when I didn't know what to do or felt sad - you cheer me up and get me going & I felt so pure that what you

back was in right energy. If you don't want to and I'm talking about - don't worry. I'm just trying to say that I miss you a lot and feel a void till we're together again.

I didn't do anything ~~this weekend~~ like go out. I'm so exhausted from ~~the~~ whole week. I've been working so hard and I'm so tired. I had gone to bed early - like 10:30 both Sunday + Sat night. I had some chances to go out both nights - there were a few parties + would have gone to but I was too tired. Sat. especially cause it was so busy at work. I think it's catching up with me from last week. Even tonight I'm really tired and I think I'll go soon.

It's so good to hear about the possibility of a job as editor of photography for the yearbook. I know the Lord will provide for us and I'm really happy to hear of the possibility. I pray you could write up your rough draft for your English paper. I'm so glad you're feeling better. I'm glad I can be assured that the Lord is taking care of you.

It's been raining here all weekend - hard. There's been lots of flooding around ~~the~~ ~~area~~. The bus couldn't even go ~~spring creek road~~ today - you couldn't even see the road - it was like a river.

I just read over this letter and I realize I just can't express
~~how much I love you and want you and need you.~~ I want
right now to have you next to me - to feel your warmth
and have you kiss me all over. Oh do I ever miss your
kiss, I just wanna hold you close and talk to you and
respond to you. It'll be great when I can be with you.
I'm so lonely for you - I can hardly think of anything
else. Nothing else matters now, but getting to you.
I really need you. You're my very life.

How handsome you are ~~and beloved,~~
~~and so pleasant!~~ 505 1:16

'Like an apple tree among the trees of the forest
So is my beloved among the young men
In his shade I took great delight and sat down
And his fruit was sweet to my taste'

505 2:3

The daisy is from my Valentine flowers. I wore it in
my hair tonight. It's so pretty and sweet. Thanks
